We have a clear line of accountability for safeguarding within the CCG.

The CCG's Accountable Officer has ultimate accountability for ensuring that the health contribution to safeguarding and promoting the welfare of children and adults is discharged effectively across the whole health economy through commissioning arrangements.

The CCG's Chief Nurse & Director of Quality is the Governing Body executive lead for safeguarding and has responsibility for providing leadership and gaining assurance in relation to safeguarding issues within the CCG and locality.

The CCG employs the expertise of Designated Doctors for Safeguarding, a Designated Nurse for Safeguarding Adults and Children, three Deputy Designated Nurses and a Named Professional for Safeguarding (Primary Care). These roles are an integral part of the CCG's activity and support the delivery of the safeguarding adult and children agenda.

## **Procurement**

The CCG ensures that organisations commissioned to provide services have appropriate systems that safeguard children in line with current legislation, including Children and Social Work Act 2017, Children Act 2004, 1989; and adults in line with The Mental Capacity Act 2005, The Care Act 2014 and The Modern Slavery Act 2015.

With regards specifically to the Modern Slavery Act 2015, there is a specific question in our standard set in the pre-qualification questionnaire so that we can be assured of the approach of potential providers at the outset of procurement.

## **The policies in relation to Slavery and Human Trafficking**

The pay structure is derived from national collective agreements and is based on equal pay principles with rates of pay that are nationally determined. The Remuneration Committee holds the organisation to account in adhering to these standards.

Systems are in place to encourage the reporting of concerns and the protection of whistle blowers.

With regards to providers and supply chains, we expect these entities to have suitable anti-slavery and human trafficking policies and processes in place. We will use our routine contract management meetings with major providers to hold them explicitly to account for compliance with the Act and we will implement any relevant clauses contained within the Standard NHS Contract for 2021/22.

All providers are contractually required to report compliance with safeguarding standards to the CCG using the agreed frameworks.
