

NHS Herefordshire Worcestershire CCG - NHS Community Pharmacy Palliative Medicine Hubs

All NHS community pharmacies will stock medicines commonly used in palliative care but this may be referenced for options for those pharmacies which may stock increased levels of palliative care medicines

[NHS Arden Herefordshire and Worcestershire NHS Community Pharmacies](#)

*N.B. Community pharmacy usual opening hours are available through the link although there are some changes which are in place during the current crisis. Please use the NHS link to confirm current opening hours.
